How to use this checklist

This is the complete **904-card checklist** for 2026 Topps Universe WWE — every Base, Insert, Autograph and Memorabilia card in the set. This guide is organised **brand by brand**: find your favourite Superstars under Raw, SmackDown, NXT, Legends or the shared WWE brand (commentators, referees, on-screen personalities and top stars not exclusive to one weekly show), with everything from that brand ticked off in one place. Cards marked **RC** are rookie cards.
