How to use this checklist

This is the complete **2004-card checklist** for Futera UNIQUE World Football Edition 21 — every Base, Heritage, Cult Heroes, Memorabilia and 23ct Gold Plated Framed card in the set. Unlike a club or league product, this release features players from 148 different nations, so rather than a club-by-club guide, this checklist is organised **set by set**, exactly as Futera themselves present the checklist. Each player's nation is shown alongside their name.
