How to use this checklist

This is the complete **1795-card checklist** for Futera UNIQUE World Football Edition 22 — every Base, Heritage, Future Stars, Memorabilia and 23ct Gold Plated Framed card in the set. Unlike a club or league product, this release features players from 81 different nations, so rather than a club-by-club guide, this checklist is organised **set by set**, exactly as Futera themselves present the checklist. Each player's nation is shown alongside their name. A handful of sets feature two or more players sharing one card (e.g. Versus, Trio Tribute, IV) — these are listed with every player's name shown together.
